22	42° 38'	Albany				
23	42° 44'	Waterviliet				

At each reporting point estimate %'s from Bank to Bank.

- \* Percentage of unmoving (Fast) Ice
- \*\* Percentage of moving (Drift) Ice
- \*\*\* If track exists and contains fixed ice then check this box.

Note: if you took photos during you flight, place a number, or slash for each. Email separately!

Call each USCG Ice Breaker or Cutter you pass and advise them of any nearby river traffic.
